FENWAL

NEW SERIES 550
THERMOCOUPLE CONTROLLERS

On-off relay output

Time proportioning relay output, with deviation meter

> Time proportioning relay output, full scale indication

FEATURES:

- Din sized 3.6" x 3.6" x 5.5" deep Plug In Construction 10 AMP Plug In Relay
- · Field Adjustable Cycle Time, Bandwidth, Reset
- Unique Captive Mounting Fasteners
- · Differential 0.1% of range

ENGINEERING, SALES, SERVICE, STOCK AVAILABLE FROM:

THE CANADIAN

CHROMALOX

COMPANY, LIMITED

210 Rexdale Boulevard Rexdale, Ontario M9W 1R4, (416) 743-8000 Telex. 06-217743

EXCLUSIVE REPRESENTATIVES OF FENWAL TEMPERATURE CONTROLS IN CANADA.

Reader Service Card No. 40

1975 INDEX		
Article	Month	Page
Plant efficiency through instrumentation	Sept	17
Plant profitability improvement with new process controller	Jan	23
Pneumatic control of conveyor maximizes use of fruit dryer	Sept	26
Pneumatic logic control — simple, reliable, low-cost	Mar	33
Pollution Control Show instrument highlights	Mar	43
Pollution monitors: Smug specsmanship and an erudite fog .	Nov/D	ec
Portable instruments for the instrument maintenance man	Apr	10-16
Position sensors monitor machine wear	Apr	40
Power, processing equipment design	Mar	20
Practical sound level management	Mar	38
Practicality is the keynote of this year's ISA conf/exhibit	Sept	11
Pressure/level measurements with DP cells	May	15
Price and income control: How it works	Nov/D	
Process control computer dispersion	Nov/D	
Process control featured in Canadian Computer Show	Jan	36
Process control hardware figured largely at NCC	Aug	27
Process control line has novel features	June	17
Process control systems by CAD	Sept	33
Process controller improves plant profitability	Jan Nov/P	23
Processing, distributed	Nev/D	18-30
Product Showcase	June	20
Processing, power equipment design	Mar	23
